

North Carolina Education Lottery Scholarship
2nd Annual Report
February 2009

The NC Education Lottery commenced in March 2006 and the North Carolina State Education Assistance Authority (Authority) began administering the scholarship component in February 2007 for the 2007-08 academic year. The Authority made the first scholarship disbursements in August 2007.

The Education Lottery Scholarship is designed to ensure that eligible students whose families can contribute less than \$5,000 toward the student's education will receive a minimum amount of grant funding when combined with the Federal Pell Grant. For the 2007-08 year, the minimum amount was \$2,500.

Students apply for the Education Lottery Scholarship by completing the Free Application for Federal Student Aid (FAFSA) and listing a participating institution on the FAFSA. Consideration for the scholarship occurs automatically and students are notified of their eligibility by the institutions they will attend. Funds are disbursed to eligible institutions upon confirmation from that institution that the eligible student is enrolled or intends to enroll for the semester.

By statute, the eligible institutions in North Carolina include:

- University of North Carolina Constituent Institutions as defined in G.S. 116-2(4)
- North Carolina Community Colleges as defined in G.S. 115D-2(2)
- Private non-profit institutions as defined in G.S. 116-22(1) or 116-43.5(a)(1)
- Hospital schools as defined in G.S. 131E-16(14) or school of nursing affiliated with a nonprofit postsecondary institution as defined in G.S. 116-22(1).

The Authority receives funds quarterly from the North Carolina Education Lottery Commission and places the funds in a trust fund for the benefit of eligible students.

For the 2007-08 academic year, 35,461 students were identified as enrolled and potentially eligible for funding. Of that number, 29,491 students received a total of \$35,133,991, with an average scholarship of \$1,191.35.
